Treasurer

The financial assets of the past year have been increased by the volunteer service of the librarian, Mrs. William H. Eagleson, and by the return of money on deposit with the state for the Co-operative Book Buying Program which is now discontinued, due to withdrawal of Federal support.

Appreciation is expressed to the Rondo for their contribution to the Library, and to Mrs. Henry D. Chaplin for her gift of books.

An average of thirty books a week has been circulated the past year.

SEPARATE TAX RATES TO BE PRINTED ON TAX BILLS  
RSA 76:11-a

Town	\$ .82
County	.27
School	<u>5.31</u>
Combined Rate	\$ 6.40

Chapter 15, Laws of 1959 amends RSA 76 by inserting after section 11 the following new section: 76:11-a Information Required. The tax bill which is sent to every person taxed, or his agent, if known, as provided in section 11, shall show the rate for municipal, school and county taxes separately. Any town, through its selectmen, may request that the tax commission compute the rates which will appear on the tax bills as provided hereunder and upon said request the tax commission shall furnish the required information.

## AMBULANCE SERVICE

Ambulance Service is considered an essential service. Many towns have had to take on the job of providing this service in the form of a volunteer unit or some other program. Even a volunteer service requires a sizeable budget to supply the equipment.

For two years now the Paul Ricker ambulance service has continued to provide this area with excellent 24-hour a day service. All that has been required from the area served is funds to cover his cash cost that he would not have if he discontinued ambulance service. He is willing to continue the same program in 1970 if cooperating towns will cover the following budget which is an amount over and above what regular ambulance fees cover.

Salary for additional help	\$6,100
Workmans Compensation	40
Liability Insurance	100
Ambulance Insurance	60
Social Security on Ambulance help	300
	<u>\$6,600</u>

During the 21 months that a group of 8 towns have been co-operating with Mr. Ricker in providing ambulance service, he has had 419 calls. These have been listed according to the town they were from. The 1970 budget has been divided among the towns based on the percentage of calls coming from a certain town during this 21-month period. The budget and the amount to request from each participating town was worked out by a group of 10 selectmen from the several towns meeting together on January 22. It was agreed at that meeting that the amount that the town of Orford, New Hampshire should contribute to the overall budget of \$6,600 would be \$150.00.

These funds are paid into a special ambulance account handled by the treasurer of Cottage Hospital, supervised by an ambulance committee and paid to Ricker Ambulance service on a monthly basis.

We appreciate the excellent ambulance service that we have received in the past and encourage our town to participate as budgeted in 1970.

SELECTMEN, Town of Orford, N. H.

SCHOOL DISTRICT WARRANT  
State of New Hampshire

Grafton, S. S.

School District of Orford

To the inhabitants of the School District of Orford qualified to vote in District affairs:

You are hereby notified to meet at Memorial Hall in said District on Tuesday, March 3, 1970, at 5:00 P.M. to act on the following subjects:

Article 1. To choose by non-partisan ballot a Moderator, a Clerk, and a Treasurer, each to serve one year and two members of the School Board each to serve three years and one member of the School Board to serve for one year. (Polls will open at 5:00 P.M. and will close no earlier than 10:00 P.M.)

NOTE: ARTICLES 2 through 11 WILL NOT BE CONSIDERED  
UNTIL 8:00 P.M.

Article 2. To determine and appoint the salaries of the Truant Officer, and Treasurer, and fix the compensation of any other officers or agents of the District.

Article 3. To hear the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relative thereto.

Article 4. To choose Agents, Auditors, and Committees in relation to any subject embraced in this Warrant.

Article 5. To see what action the School District will take to provide for the election of School District Officers by the Australian Ballot System, as provided by R.S.A. 59-72. (Inserted by petition)

Article 6. To see if the District will vote to improve the educational opportunities and facilities of the Elementary School and to institute a Kindergarten in a school building by discontinuance of the Orford High School, consisting of Grades 9 through 12, and authorize the School Board, or a majority of the School Board, to join with twenty or more legal voters of the town or District in a petition to the Grafton County Superior Court under the provisions of New Hampshire Revised Statutes Annotated Chapter 194:35 requesting the discontinuance of the Orford High School; or to take any action incidental to or in connection with the foregoing matter. (Inserted by petition)

Article 7. To see what sum of money the Orford School District will appropriate to support a public kindergarten for the 1970-71 school year. (Inserted by petition)

## SCHOOL DISTRICT WARRANT - Continued

Article 8. To see if the District will vote to raise and appropriate, in addition to the original appropriation for 1969-70, a sum of money in the amount of Four Thousand Four Hundred Forty-Five Dollars (\$4,445.00) to be made available to the School District prior to June 15, 1970, in order to meet obligations due to payment of tuition for students attending schools outside of New Hampshire.

Article 9. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

Article 10. To see if the District will authorize the School Board to apply for and accept grants and aid from the United States, the State of New Hampshire, other states, and any agency or municipality thereof, or from private corporations and individuals for the construction, maintenance, reconstruction, operation, and financing of its schools, and to do any and all things necessary in order to avail the District of such aid and cooperation, or to take any other action relative thereto.

Article 11. To transact any other business that may come before said meeting.

Given under our hands and seals of said Orford this tenth day of February, 1970.

# ANNUAL REPORT OF THE SUPERINTENDENT AND PRINCIPAL TO THE CITIZENS OF ORFORD:

In many of the Orford town reports published at the turn of the century, school officials reported that they were beset by problems of parents not sending their children to school because they did not think it was worthwhile. We are happy to report that this problem no longer exists. Seventy-five years ago the school budget was \$2,440.00. Fifty years ago it totaled \$6,109.00. Education in Orford has obviously become more expensive through the years but hopefully more worthy of the citizen's tax dollar than ever before.

## STAFF AND ENROLLMENT

Seven new teachers were added to the Orford staff this year joining the eleven who had returned from the previous year. We are highly satisfied with the instructional team and wish them an enjoyable stay in our community.

Student enrollment as of February 1, 1970 was 123 students in grades 1 through 8 and 70 students in grades 9 through 12. Of the students in grades 9 through 12, 21 are tuitioned in from Fairlee, Warren, Wentworth and Lyme.

## CURRICULUM

In the elementary school we have endeavored to provide as individualized a program as possible. Through activities-oriented classrooms, flexible scheduling, field trips, student teacher aides, student tutors, and a wide variety of teaching materials and techniques we have tried to meet the needs of every child at that child's particular level.

At Orfordville the new partition in the dining room has enabled that room to be used by the resource teacher to work with small groups of children in language arts as well as to serve as a kitchen for the school lunch program.

We have introduced the Elementary Science Study curriculum into grades 5-8. This new approach to science places less emphasis upon the textbook and relies on learning by doing and discovering. Although this curriculum is mainly in the Street School we have started to coordinate with the Orfordville School and to develop science teaching methods in all eight grades. In the Street School we have moved the 5-8 science program into the former home economics room, thus affording the students facilities for sinks, bunsen burners, and more room in which to conduct experiments.

Our physical education and interscholastic sports program in grades 5-12 is larger than ever before. Based upon the positive aspects of group experiences rather than victory alone, our sports program involves almost fifty per cent of our students. It is particularly gratifying to see this large amount of participation in view of the fact that all activities occur outside regular school hours, are all

## PRINCIPAL AND SUPERINTENDENT'S REPORT - 2

voluntary and rely mainly on volunteer transportation.

In high school English we have revitalized the curriculum so that students in grades eleven and twelve are provided with eight half-year courses from which they are to elect their English courses on the basis of their interests and needs.

We have dropped the health and safety course at the high school in order to decrease the science teacher's load so that he will have more time to prepare laboratories in his other science courses. Many of the content objectives of health and safety have been covered in the other science courses and in the physical education curriculum.

This year we have initiated a released time program for the purpose of professional improvement of teachers. Every Wednesday, school has been dismissed at 2:15 to enable teachers to engage in individual and group activities to improve their teaching and our educational program. These activities have included visitations to other schools, curriculum subject matter meetings, and independent work on special projects. We are currently using some of the Wednesday afternoon sessions for developing a set of school objectives which will ultimately assist us in developing the entire curriculum and providing more continuity in our program.

A major limitation in our elementary program has been the lack of a kindergarten for our youngsters. The School Board appointed a committee last summer to explore the feasibility of starting a kindergarten. The committee has concluded that an Orford kindergarten to accommodate 15 to 19 students for a half-day session throughout the school year is feasible and advisable.

### BUILDINGS AND EQUIPMENT

Included among the improvements to our physical plant have been the painting of the exterior of the wooden annex on the Street School and a classroom in the Street School. At the Orfordville School we have installed a partition in the dining room, painted the downstairs toilets and hall, installed a new heat exchange unit in the furnace, and made major plumbing renovations.

Our instructional equipment inventory has been improved by the purchase of a tape recorder, headsets to permit small groups of students to listen to tapes without disturbing their classmates, three typewriters (two of which are used for elementary reading), two microscopes, and a recording barometer.

### BUDGET AND FINANCES

A large percentage of the budget which will be presented for consideration at the Annual Meeting is the item for teacher salaries. The proposed budget for teacher salaries is based upon \$6,000.00 annually for an inexperienced teacher with a Bachelor's Degree, with annual increments of \$300.00 for each additional year of successful

PRINCIPAL AND  
SUPERINTENDENT'S REPORT - 3

teaching. Teachers with a Bachelor's Degree plus 15 credits would start at \$6,300.00 with \$300.00 increments. Teachers with a Master's degree would start at \$6,600.00 with \$300.00 increments.

Other large items in the budget refer to replacing aging and outdated texts and instructional materials, painting parts of our buildings, improving lighting, and paying state average tuition for high school students who chose to pursue studies they cannot obtain at Orford High School.

We will be receiving no state foundation aid for the 1970-71 school year due to a rapidly growing student population in other areas of our state.

We have tried to capitalize on our unique educational situation in Orford. Small classes, dedicated teachers, and a group of interested parents and School Board members who have contributed much time and energy to your schools have been responsible for our successful program. We have presented a personalized, flexible, and student-centered program. What we have lacked in physical facilities and technological advances we have tried to compensate for in terms of individual attention and human concern.

It has been a distinct pleasure to work with the School Board and teachers to serve the young people of this community.
